Agenda Item

3

Technology and Innovation

Objective of Agenda Item

1. To receive a presentation from Jeanne Boillet, EY Global Assurance Innovation Leader, regarding the transformative effect of trends and developments in technology and innovation on the accounting and finance functions served by the global accountancy profession.

This presentation is relevant to the Board's consideration of the draft strategy survey (Agenda Item 6) and the development of the Strategy and Work Plan 2019-2023.

Action Requested

2. The Board is invited to seek an understanding of the ethical implications of the matters raised in the presentation and how they might affect the development of its future strategy and work plan.
