KICPA's Comments on IESBA's Proposed Strategy and Work Plan, 2024-2027

Dear Ken Siong,

We, at the Korean Institute of Certified Public Accountants (KICPA), strongly support the International Ethics Standards Board for Accountants (IESBA) for its commitment to developing high-quality professional ethics standards to raise the bar for ethical conduct expected from professional accountants and to serve the public interest. **In general, the KICPA agrees with the "Proposed IESBA Strategy and Work Plan, 2024-2027".**

We are also very pleased to have opportunity to provide our comments on IESBA Consultation Paper, "Proposed IESBA Strategy and Work Plan, 2024-2027".

Please contact us at dyou@kicpa.kr for any further matters regarding the "Proposed IESBA Strategy and Work Plan, 2024-2027".

Thank you.
