4. SECTION III: SSBs' STRATEGIC POSITIONING FOR 2028–2031

4. As the SSBs look toward the 2028–2031 period, they are reflecting on how to position their strategies and work plans to best serve the public interest within a rapidly changing global environment. This involves careful consideration of how the SSBs remain relevant, responsive, and impactful in their standard-setting and other related work. In that context, what do you believe the SSBs should aspire to achieve during their next strategy period, 2028–2031?

Your answer may touch on different dimensions, for example:

The relevance, responsiveness and impact of the SSBs' standard-setting and related activities.

Broader adoption and effective implementation of the SSBs' standards.

The SSBs' interaction and engagement with key stakeholder groups.

The SSBs' ability to serve the public interest.

The examples above are for illustrative purposes only and should not limit, direct, or otherwise influence your response.

Your answer should address the IAASB and IESBA collectively; however, you may wish to also highlight matters specifically for the IAASB or IESBA (if applicable, you could use separate headings to address such matters).
