No no legal protection. I have had to obtain 2 protection orders at my own cost. In the current year there have been multiple assassinations of Auditors/Lawyers/Business Rescue Practitioners /Tax Practitioners

From your perspective, what further efforts should IESBA pursue to enhance the effectiveness of implementation of the IESBA NOCLAR provisions globally? (Please explain your response)

There must be a distinction between countries which have law enforcement and countries that do not (e.g. South Africa). Compelling RI's or NOCLAR places a risk to life to the reporter. An option to resign instead of NOCLAR or RI must be available.. The cost of a human life (e.g. an Auditor in South Africa is \$2500) thats it.
